We are a wholly owned subsidiary of KBC Bank N.V. Our VAT number is 8F86824G. KBCI is a licensed bank regulated by the Central Bank of Ireland.

If you have been introduced to us by a mortgage credit intermediary you will be aware of their identity and address.

#### 2. Information about the financial service

The purpose of this section is to summarise for you the key features of our home loans. Those key features are:

- Home loans are available to persons who meet our credit criteria;
- Home loans (including interest) are repayable over an agreed period of time, normally, between 10 and 35 years by monthly instalments;
- Interest on home loans is payable at a rate which will vary over the term of the home loan in accordance with our prevailing interest rates or, if we so agree at your request, our applicable fixed rate for the fixed period you select;
- KBCI provide annuity home loans which consist of repayments of principal and interest;
- Home loans are secured by a first legal charge over your property and /or any additional security that may be required by us;
- Subject to applicable law, if you make any default in repayment, we may repossess your property on foot of the mortgage and realise any security given to us and you must pay to us the costs and expenses that we incur in recovering payment from you.

#### 3. Fees and Charges

A valuation fee in the amount of €126.97, inclusive of VAT, (together with any additional fees or charges e.g. mileage that may be applied by the valuer) will be payable by you directly to the valuer. Stage valuations or Interim/Final Inspection fees and Confirmation of Valuation fees (required where the Valuation received is dated more than 4 months prior to the initial drawdown of funds) of €63.49, inclusive of VAT, may be charged (together with any additional fees or charges e.g. mileage that may be applied by the valuer).

An 'Arrangement fee' equal to 0.5% of the home loan amount may be payable by the applicant when the home loan is available for drawdown.

For customers purchasing a residential investment property, the legal costs of KBCI in respect of the property over which KBCI is taking security, will be detailed in the Letter of Loan Offer. These costs will be paid by the borrower(s) in cleared funds directly to the KBCI solicitor on closing.

A charge of €19.00 may be made for processing each unpaid monthly mortgage instalment. A call out charge of €31.50 may be made for a staff visit. A summons-serving fee of €19 may be charged. Possession Order serving costs of €19 may be charged. A once off charge of €317.00 may be made on an account if the account is referred to a solicitor with instructions to commence legal action to recover the mortgage property.

A fee of €38.00 may be charged for the release of Deeds on Accountable Trust Receipt.

In addition to the costs and fees detailed above and subject to the provisions of the Consumer Credit Act 1995 (as amended), KBCI may from time to time incur other costs fees and expenses in connection with the management of the home loan and the enforcement and protection of its rights in connection with the home loan and the security for the home loan. Such costs are for the account of the borrower and may include third party fees due to professional advisors appointed by KBCI at its discretion to provide services in connection with the property taken as security for the home loan including without limitation Quantity Surveyors, engineers and architects. Any such third party fees shall be discharged by the borrower directly to the third party on demand from KBCI and/or the third party. KBCI will endeavour where possible to provide the borrower with an estimate of these fees in advance.

There may be additional costs or taxes payable by you that are not paid by us or imposed by us such as stamp duty, property registration fees and your solicitor's fees and mortgage and home protection insurance.

Interest is charged on arrears of payments at the same rate applying to the home loan advanced. An additional 1% per annum may be charged (as well after demand or judgement as before) on the arrears balance from the due date until payment and may be charged to the borrower's account and, if charged, will be payable in the same manner as the interest charge.

This information is correct at the date it is sent to you. The examples of the total cost payable by you are illustrative only, and the actual total cost is dependent on prevailing rates of interest in the case of a variable rate home loan, throughout the period of the home loan, and, in the case of a fixed rate home loan, at the time the home loan is drawn down.

The following table is provided as a guide to the repayment amount and level of total cost of credit.

Term	Annual Percentage Rate of Charge (APRC)	Repayment per €1,000 per month	Cost of Credit*
25	3.93%	€5.20	€55,876.95
20	3.94%	€5.98	€43,545.34
15	3.94%	€7.32	€31,794.85
10	3.95%	€10.05	€20,640.54

\* Based on a mortgage of €100,000 at an indicative rate of 3.85%

APRC = Annual Percentage Rate of Charge and consists of a variable borrowing rate of 3.85%, valuation fee of €126.97 and security release fee of €38.

Where a Credit Intermediary fee is charged, or where bank legal fees are charged for a Residential Investment Property, these will also be reflected in the APRC.

#### 4. Right to cancel the contract

You do not have the right to cancel the contract once you have drawn down a home loan but you may repay a home loan early as outlined in the next paragraph.

You may at any time repay all or part of the home loan early by sending a notice in writing to KBC Bank Ireland plc, Customer Services Department, Sandwith Street, Dublin 2.

If, during a period in which the interest rate is fixed, the home loan is redeemed in whole or in part or the home loan is converted to a variable interest rate or to another fixed rate home loan, on that date a break funding fee will be payable to KBCI. If, at the switching/redemption date the Fixing Rate is higher than the Fixing Rate at the date the existing fixed rate applying to the home loan was set, no break funding fee arises. If, however, at the switching/redemption date, the Fixing Rate is lower than the Fixing Rate at the date the existing fixed rate applying to the home loan was set, then a break funding fee will be chargeable. The break funding fee will be calculated by reference to the following formula:

$B = (W - M) \times T / 365 \times A$ , where:

B	=	The Break Funding Fee
W	=	The Fixing Rate prevailing at the date of the existing fixed rate applying to the loan was set
M	=	The Fixing Rate prevailing at the switching/redemption date for the unexpired time period of the Fixed Rate Period
T	=	Period of Time (from the switching/redemption date) in days to the end of the Fixed Rate Period
A	=	Principal amount which is subject to the existing fixed rate and which is being switched or redeemed

'Fixing rate' means the rate (expressed as a % per annum) which KBCI in its absolute discretion shall determine to be:

- (a) KBCI's cost of raising funds in whatever manner and from whatever source(s) KBCI may select for the relevant period of time;
- (b) Any costs arising for the relevant period of time (in respect of any part of the facility) incurred in direct or indirect compliance with any reserve asset and/or special deposit or liquidity funding requirement imposed by any Regulatory Authority whether or not such requirement have the force of law or otherwise; and,
- (c) Any other costs, fees or expenses, whether direct or indirect, which KBCI may incur in raising funds of like amount for the relevant period of time.

A certificate in writing signed by an officer of KBCI stating the break funding fee applicable at any time shall be prima facie evidence against the Borrower of the amount of the applicable break funding fee save for manifest error.

The following are examples of the calculation of the break funding fee:

<b>(a) Where Fixing Rate increases over the term of the loan:</b>	
Fixing Rate at the date the existing fixed interest rate applying to the loan was set (W):	7%
Fixing Rate at switching/redemption date (M):	8%
Break funding fee	€0.00
<b>(b) Where Fixing Rate decreases over term of loan:</b>	
Fixing Rate at date the existing fixed interest rate applying to the loan was set (W):	8%
Fixing Rate at switching/redemption date (M):	7%
Break funding rate	1%
Unexpired Fixed Rate Period (T)	365 days
Break funding fee (per €1,000 loan amount)	€10.00
Break funding fee = $(8\% - 7\%) \times 365 / 365 \times 1,000 = €10.00$ per €1,000.00	

If you fail to make any payment due to us in respect of the home loan or, if any of the other events of default which will be specified in the contract between us for the home loan were to occur we may call for the immediate repayment of the home loan together with all accrued but unpaid interest thereon and all other costs and expenses payable under the contract. We may also enforce our mortgage over your property, sell it and realise any security given to us and apply the proceeds of sale in repayment of the home loan and all interest and costs and expenses.
